

Dear trendic hotel guests,
here you can read through our hygiene concept.
Thank you for you co-operation.

1

✔ **CONTACTLESS CHECK-IN:**

You can check in contactless at our terminal around the clock.

✔ **CLEANING SEVERAL TIMES A DAY:**

Our check-in area is constantly cleaned and disinfected.

2

✔ **HAND DISINFECTION:**

Disinfectant is available for guests and staff.

✔ **VENTILATION:**

Our staff ventilate the rooms several times a day.

✔ **CLEANING SEVERAL TIMES A DAY:**

The rooms as well as door handles, stair railings and other highly frequented contact surfaces are cleaned and disinfected several times a day.

3

✔ **TRENDIC KITCHEN:**

The kitchen and coffee machine are **cleaned and disinfected daily**, and there is also a disinfection bottle available for guests to disinfect the surfaces themselves.

✔ **CLEANING AGENT:**

Dishes, glasses and cutlery are washed in our machine with a **surfactant-based detergent** at a **temperature of 60 degrees Celsius**.

4

**✔ ROOM CLEANING:**

All our rooms and particularly **frequently used objects** in the room (door handles, light switches, remote control, etc.) are cleaned by our trained staff according to the **cleaning and disinfection plan**.

✔ COMMON ROOMS CLEANING:

The cleaning of the guest and common rooms is done in the **absence of the guests**, if possible, in order to avoid contacts.

✔ VENTILATION:

The room **is aired** during cleaning.

✔ PROHIBIT CLEANING:

If a guest has a longer stay, **cleaning may be prohibited**.

5

**✔ SAUNA:**

This is **cleaned and disinfected daily**, and a disinfection bottle is also available for guests to disinfect the sauna benches for themselves and afterwards.

Disposable paper towels are also available.

We are pleased to welcome you again
without any restrictions.
